

Little Light House

BEACON

The Official Little Light House Magazine

CELEBRATE

50

YEARS!

I have always loved the Little Light House mission of glorifying God by improving the quality of life for children with special needs, their families and communities. This is my job description and I couldn't be happier about it!

I moved to Tulsa in the early 80's after graduating from college and started a career in Pediatric Occupational Therapy. I had heard of Little Light House but did not understand the wonderful team-approach to treatment until years later, after having attended an on-site conference. I was absolutely taken by the excellence of service at LLH, so much so that I immediately decided to close my therapy practice of ten years and start working for LLH! That was 15 years ago. I have delighted in honoring God's value for these beautiful children by providing them early-intervention services as well as support for their families. LLH creates a developmentally rich classroom experience, combining God's love with the innovation and best practices of our educational and therapeutic team.

Now that I serve as Executive Director, I witness first-hand the rich foundation of prayer, biblical principles, love, excellence, creativity, determination, and community support that have been established over the past 50 years. I am extremely grateful for all of you who have helped build this strong foundation. You have blessed me and those working in this wonderful ministry. Just look at all the lives we have been able to touch together and the futures we have changed by God's grace!

In fact, I believe Little Light House would not be standing today without you. Together we have partnered with God to do His good works, works that He has inspired you to do.

FOR WE ARE GOD'S HANDIWORK, CREATED IN CHRIST JESUS TO DO GOOD WORKS, WHICH GOD PREPARED IN ADVANCE FOR US TO DO. Ephesians 2:10

I hope you are as excited as I am to see what God does through Little Light House in the next 50 years! We are growing not only in our own services to children, but also in our services to organizations in Tulsa and throughout the nation—including churches—who want to develop their ability to help these children and their families. Our international influence also continues to grow as more countries seek our assistance in understanding and serving children with disabilities. We embrace this growth and the expanse of our influence—to places like South Korea, Kenya, and Rwanda; our children deserve this.

God bless you for being a part of the rich heritage of Little Light House! God bless you for being a wonderful and significant part of its future: a future glorifying God as we do the good works together of helping children with special needs to thrive!

Only God

As co-founder of Little Light House, I'm often asked if I ever dreamed the Little Light House would become the global, far-reaching model program it is today. My answer is always the same, "No, only God knew!"

It was always HIS divine vision, which He imparted to us over the past five decades. Even today, He continues to reveal how He wants to use the Little Light House to bless children with special needs here and around the world! I could never have imagined the impact the Little Light House would have or the lives that would be changed. Only God knew! I've often described the experience as being on an unfamiliar path of stepping stones. With each "faith step" we took, God would illuminate more of the path, revealing the direction we were to go, fulfilling HIS divine plan and ultimate purpose for Little Light House.

Fifty years ago, when co-founder, Sheryl Poole and I began dreaming of a special school for our daughters and other little ones with special needs, it could only have been our Heavenly Father who could have taken that dream and miraculously transformed it into a beautiful reality in five short months. We had no experience with non-profits and even less knowledge of how to start, much less run a school for children with physical and/or mental challenges. And yet, on October 3, 1972, the doors to a tiny school did in fact open, welcoming five precious children to the place we call Little Light House. Only God could have brought about such a miracle!

Only God could have raised up the Godly men and women who came alongside us over the years, serving as dedicated board members, credentialed and passionate professionals, dedicated donors, and devoted volunteers whose combined efforts God has used to expand the outreach of the Little Light House, resulting in exponential growth for that ministry that had such humble beginnings.

Only God could have provided the millions of dollars needed over the past 50 years, making it possible to offer state-of-the-art, comprehensive services to God's special children, all on a **tuition-free** basis! And may I say how amazed

and inspired I continue to be as I witness the giving hearts of countless men, women, children, businesses, churches, and organizations who have been so willing to be used by God through their financial support.

It is stunning to know that Little Light House now has a worldwide outreach through national and international training programs which have resulted in free training to individuals from over 14 nations and on-site training conferences in 16 countries. Only God could have orchestrated divine connections globally, resulting in such a worldwide outreach for Little Light House.

Only God could orchestrate circumstances and events, inspiring the establishment of Little Light House Affiliates in Mississippi and Kentucky, which continue to grow and thrive!

Most importantly, Only God could have brought about the countless milestones & miracles which have taken place in the lives of the precious children we have had the privilege and joy of serving.

So, as I look back over the past five decades, my heart swells with awe and wonder as I ponder what a loving, compassionate, miracle-working God we serve. How great His love must be for all the beautiful Little Light House children and their families.

My favorite scripture is found in Ephesians 3:20. To me, Little Light House is a living testimony to the truth of this beautiful word from God!

"Now glory be to God, who by His mighty power at work within us, is able to do far more than we would ever dare to ask for or dream of, infinitely beyond our prayers, desires, thoughts, or hopes. May He be given glory forever and ever, through endless ages, because of His master plan of salvation through Jesus Christ our Lord."
Ephesians 3:20-21

With love and a grateful heart to our loving God and all those who have been used by God to keep the light of Little Light House shining brightly!

In His service for His glory!

Marcia Mitchell, Co-founder Little Light House

OUR HISTORY OF Changing Lives >>

From two mothers trying to do their best for their children to a leader in Early Intervention, Little Light House has changed lives not only in Tulsa but worldwide, thanks to our community's constant support.

Little Light House is Established

> **1972**

Out of frustration with the lack of services for children with special needs, Marcia Mitchell and Sheryl Poole open the Little Light House.

First Laps for Little Ones

> **1979**

Runners from all over Tulsa participate in Little Light House's first major fundraiser, Laps for Little Ones.

Recognized as school of the year by ICAA

> **2003**

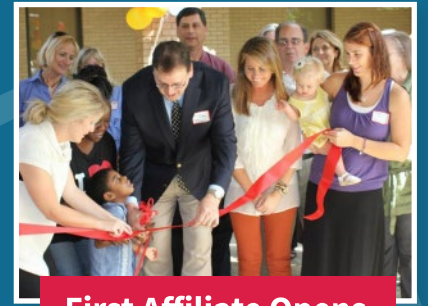

Little Light House becomes accredited by the International Christian Accrediting Association for the first time.

First Garden Party

> **2004**

Little Light House hosts the first of one of their most popular fundraisers, the Garden Party.

First Affiliate Opens in Jackson, MS

> **2006**

Little Light House's first affiliate, LLH Central Mississippi, opens its doors to serve children in their area.

First Mini-Laps

> **1982**

LLH hosts their first Mini-Laps, a fundraiser that celebrates the milestones our students have reached throughout the school year.

Waiting List Established

> **1983**

LLH classrooms start overflowing and the Waiting List is established for families waiting to attend our Developmental Center.

First Links for Little Ones

> **1987**

Tulsa golfers come together at Little Light House's first golf tournament, Links for Little Ones.

Bible Based Curriculum Finished

> **2012**

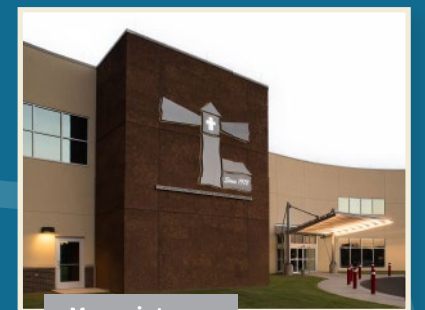

Little Light House finishes their extensive Bible Based Curriculum to be given away for free to anyone who needs it.

Awarded the ONE Award

> **2013**

Little Light House is awarded the ONE Award for the Top Non-Profit in Oklahoma.

Moves into new building

> **2016**

LLH Tulsa expands into their brand new 60,000 sq ft facility at 36th & Yale.

Moves to 36th & Yale

> **1990**

Little Light House outgrows their location and moves to 36th & Yale.

First Global Outreach

> **1995**

Little Light House has their first global outreach in Pakistan.

First International Intern

> **1999**

Little Light House teaches their first international intern from China.

Early Intervention Program Launch

> **2019**

Seeing the need to help the families on LLH's evergrowing Waiting List, LLH launches their new, Early Intervention program.

First donation to LLH Foundation

> **2021**

Little Light House Foundation receives its first donation to help national and international expansion of LLH.

All Classrooms at Full Capacity & National Growth

> **2022**

Our 36th & Yale location reaches full capacity, a long awaited dream since expanding in 2016. LLH continues to grow beyond Tulsa with the opening of LLH Central Kentucky and more.

ALUMNI
AVERIE HIGHT

“Averie lives a life that delights in simple joys and treasures, the everyday magical moments others often fail to notice.”

A family member was one of the first students to attend back in the 1970's and we would always try to help raise funds for the fledgling school. We signed Averie up when she was 1 day old in March of 2000 and still in the St John's NICU Unit. She was on a waiting list until the Fall of 2001 when she began attending.

We are often asked, “What did LLH do for Averie?” The response is always the same, “What didn't it do?!” Because of LLH Averie learned how to sign, walk, talk, jump, self-feed, potty-train, and so much more. We also made lifelong friendships that we are forever grateful for, but most importantly, Averie was accepted.

Since graduation, Averie tries to attend every LLH event she can to support current families and see old friends. She's a proud ambassador who tells everyone about “her school” even though she's attended several other schools. Her accomplishments from her time at LLH help her even to this day.

Averie graduated from Charles Page High School, in Sand Springs in 2019 where she won gold medals with her softball team at the Oklahoma Special Olympics Summer Games. She now travels with her father for speaking engagements. She's spoken on-stage to thousands of people. She's been to 47 US states, Canada, Mexico, the Caribbean, and both Disneyland and Disney World several times. She loves visiting New York City and seeing Broadway shows where she is often invited backstage to meet the performers. She's been to college and pro

sporting events, been a paid actress in a movie, and on TV numerous times. She has a new book published about her and her dear friend Katelyn — whom she met at LLH and with whom she went on to Middle, Junior, and High School. It's an uplifting and true story about Katelyn's unexpected passing and a way for Averie to honor and remember her.

Averie worked briefly at a local restaurant as a busser/greeter. Naturally outgoing, Averie has “assisted” Southwest Airlines as an honorary flight attendant whenever she flies that airline. A faithful member of her church and very active in her community, she has served the homeless at the Tulsa Food Bank, Salvation Army, and John 3:16 Mission. She's happiest when she has a job to help others!

Of the many life lessons she learned at LLH, her family believes self-esteem and the capacity to amplify her uniqueness may be the most beneficial. Little Light House taught Averie to focus on her abilities rather than her disabilities. They welcomed Averie and celebrated her victories - great and small. Averie always puts people first.

Miracles happen when we accept people just as they are.

- Written by Parents of Averie, Richard & Marty Hight

THEN

> 1972

- **One Teacher** for **Five students**
- **Five** volunteers
- A small white frame house **provided rent-free** was the first home for the new school
- Within nine months the student population **had tripled**
- **\$2,700.00 raised** to launch Little Light House

50 YEARS LATER

> 2022

- **13 Full Time Teachers** in our Developmental Center and Early Intervention Program for **250+ students**
- **362 Volunteers** that have logged over 5,000 hours and **444 students from 24 different college and universities** visit for free clinicals/observations
- **75+ diagnoses** served
- **60,000 sq ft** building
- **319 children** on Little Light House Waiting List
- **57 countries** impacted
- **\$4.2 Million budget** this school year
- **2 LLH Affiliates** - Central Mississippi & Central Kentucky

Growing Brighter and Brighter

“Let your light shine before men that they may see your good works and glorify your Father in Heaven.”
Matthew 5:16 is the foundational scripture for the Little Light House and the basis of our Mission Statement...to Glorify God. As we celebrate 50 years of the LLH, it has been an unbelievable joy for me to be a part of this incredible journey.

From those early years in the 1970s when we determined we would “walk by faith and not by sight,” trusting God to meet every need, to where we are today in the state-of-the-art facility, serving more children than ever before, we will continue to keep our eyes on Him.

My LLH journey began as a volunteer, which led to an invitation to serve on the Board of Directors. In the mid-'80s, we were praying and trusting God to keep the doors of LLH open. We reached a point where the board determined that if we were to continue, we needed a tremendous miracle. Like Gideon did in Judges Chapter 6, it was decided we would “lay out a fleece.” The board unanimously agreed that if LLH were to remain open, we needed to receive three months of operating revenue by a specific date – a very short time. We agreed, prayed, fasted, and put the ministry into God’s hands. God’s timing is always perfect; as is evident today, He met that “fleece.” Since that day, we have seen His provision and all our needs met.

After joining the staff, it was always exciting to see how and when God would answer our prayers. One of the first things I learned through LLH was that God is a very kind and loving Father. I was going through some personal challenges of my own, and He showed me that what He was doing for LLH, He could and would also do for me.

Two things especially stand out to me when I reflect on these past 50 years. One is that God is for us. He desires the very best for each of us. He never promised our lives would be easy or free of difficult and challenging times, but He is faithful to lead us through those deep valleys and into His marvelous light, where He never leaves or forsakes us.

Secondly, I have realized how God works through people. He refers to His followers as “His Body.” We are His hands and feet on earth to carry out His plans and purpose. The work of the Little Light House has only been accomplished because of generous people who give their time, talents, and resources. I have met incredible people over

the decades. Individuals who have come alongside to assist in many ways: civic groups and car clubs, Sunday school classes and churches, businesses and foundations – all who have come together to help fashion LLH into what it is today. What a blessing it has been to see so many amazing individuals give of themselves.

I believe our light is growing brighter and going farther than ever before as God has directed us to reach out around the globe. Whatever part you have played, please know you have made a difference in the lives of some very special children and their families. Thank you to everyone who has helped us

over the years; you have let your light shine brightly for His glory.

For God is not unrighteous to forget your work and labor of love, which you have shown toward his name, in that you have ministered to the saints, and do minister. Hebrews 6:10

Jean M. Winfrey

Jean Winfrey, former Executive Director

WHAT'S TO COME

Little Light House

Little Light House Foundation

Little Light House Foundation launched in June of 2022 as a supporting organization of LLH Tulsa and affiliates. Through the generosity of donors, funds managed by the Foundation will provide financial support for any LLH location, helping to grow programming of current Little Light Houses and the launching of future LLH locations across the United States. This month the foundation distributed the first grants to both LLH Mississippi and LLH Central Kentucky and have plans to distribute a grant to LLH Tulsa by end of this fiscal year.

Church Early Intervention Program

Our evening Early Intervention program at First Presbyterian Church launched in 2022. This program sets a precedent for future partnerships with local churches as an innovative way to provide services for children with special needs and their families.

Family Learning Center

Our Family Learning Center is growing and thriving, and there is room for more growth as we encourage families on our wait list to take advantage of our Early Intervention(EI) program and our wide variety of family programs. These families receive the highest-quality therapeutic and educational services in the EI classrooms. They also find community with other families walking similar journeys, growing in their faith, and spreading hope to each other.

Church Collective

The Church Collective, a quarterly gathering of Children's ministry leaders wanting to learn more about serving children with special needs, is thriving. Over 60 churches and their volunteers have attended trainings at Little Light House with attendance increasing every conference.

Academy

A LLH dream is to provide free, online training for anyone throughout the world who wants to learn how to better serve children with disabilities. We are excited to announce our online LLH Academy! Many new courses will be added in the months and years ahead! This is an amazing opportunity for international professionals, parents, churches, and schools to grow in their knowledge and services.

Affiliates

Our first Little Light House affiliate in Jackson, Mississippi opened its doors in 2006 and our second LLH affiliate in Louisville, Kentucky started seeing students in June 2022. We would love to see a Little Light House in every state or major city!

Sarah Ashley Harmon Splash Pad

The Sarah A. Harmon Splash Pad broke ground February 2023 and will be finished by April 2023. Our students will enjoy sensory play, practice therapy techniques, and explore social interaction with their friends. The splash pad is 2,179 square feet and was designed to represent one of our favorite Bible stories within our curriculum, Noah's Ark, and was voted on by Little Light House Staff.

Tulsa Expansion

In January 2023, we started a Task Force to explore the possibility of establishing a Little Light House branch in North Tulsa. We have been met with excitement and support and cannot wait to see how God unfolds His good plan to serve more families in Tulsa.

Watch our 50th Anniversary Video

Miracle on 36th Street

At Little Light House, we aim to *glorify God each day by improving the lives of children with special needs, their families, and their communities.* Little Light House is a place where we continually turn to God instead of the world for answers, and it has always been in our foundation to do so.

Since 1972, Little Light House has provided unparalleled services for children with Special Needs in Oklahoma - specifically North Eastern Oklahoma. With the support of our community, we've provided the tools to help them communicate, walk, and learn. We celebrate their victories and all the milestones they reach.

Today, we sit at the corner of 36th and Yale as a beacon of light, where miracles and milestones are achieved. We serve 116 families in our Developmental Center and 126 families in our Early Intervention Program, which benefits our students on our waitlist. The Tulsa community has distinctively supported us, with over 245,000 donations totaling over 80 million dollars over the last fifty years. We would not be here without the generosity and kindness of our donors.

generously to Little Light House, allow our doors to stay open and our services to stay tuition-free. Celebrating our 50th Anniversary was the highlight of this past year, from celebrating our Birthday with our community in October to hosting our Night of Legacy Anniversary Gala at Oral Roberts University, where we honored Marcia Mitchell and Sheryl Poole and their legacy. It was an incredible evening hearing from one of the first students from Little Light House, a sibling of an alumni from Little Light House, and an alumni parent. We were able to hear their story and how Little Light House made an impact on their life.

We plan to continue to grow our reach and represent our students in the community. We are so thankful for these last 50 years and cannot wait for the next 50.

Individuals like you, who give your time, energy, donations, and resources so

Senior Director of Development

LEGACY REMEMBERED

DEDICATED DONOR

JIM “MR. LAPS” MORELLA

“Almost daily, you can see the miracles God performs through the staff’s work done with the kids.”

My history with Little Light House goes back about as far as my memory can recall. I know it started because of a friend who invited me to the first Laps for Little Ones in about 1978. That introduction to LAPS was also my introduction to the kids LLH was serving. From that moment on, I was committed to donating time and resources to the best of my ability.

My involvement grew through the years with service on committees and, eventually, as a Board member. I learned that LLH received no funding besides donations from foundations, individuals and businesses. I wanted to be part of that giving because the care provided is so special.

The staff at LLH is committed to bringing smiles to the children and their caregivers. Those smiles come for many reasons, like when a child takes their first step or speaks their first word. Almost daily, you can see the miracles God performs through the staff’s work done with the kids. Many great organizations deserve financial support, but LLH has been at the top of that list for me.

I am truly blessed by my association with all of the people involved with the organization. I thank God and give Him all the glory for allowing me to serve and support LLH through the years.
