# NO ONE DOES CELEBRATION LIKE LITTLE LIGHT HOUSE

...and this month we are thrilled to celebrate our students at graduation. Through years of hard work by our students and dedication from their families, we know that each one of them is ready to leave our doors and start new journeys with new friends while holding on to the memories and friendships they formed within our walls. On behalf of the entire Little Light House family: Graduates, we couldn't be more proud!

When we celebrate our students, we aren't only celebrating their accomplishments, but who they are. Our students are perfectly created by the loving hands of God who put them on this earth for a unique purpose. They touch more lives than they can count, and as we send them off, we wish them every blessing. To the graduating class of 2024, congratulations, and may Little Light House be only the first of many wonderful steps in your journey!
